

COMPANY PROFILE

OUR MISSION

We deliver fast and effective quotations.

We pride ourselves in our product, service and quality of our work.

OUR VISSION

To become one of Gauteng's leading construction companies.

Building residential homes in Pretoria, Centurion and Midrand areas.

OUR COMPANY

WZS Construction opened its doors in 2000 starting with the building of new additions and renovations, with the experience gained through the years and the leveraging of the knowledge and experience gained from other specialists in the industry, we are proud to say that WZS Construction is a company that not only specializes in new additions and renovations, but is a specialist, recommended builder and project manager for the construction of homes in residential areas with high standards.

OUR PEOPLE

This family-run business is based on the solid, traditional values of honesty, integrity and reliability. Comprises father Willie and dynamic son and daughter, Zaak and Barbara. Our Common goal is to reach the pinnacle of success within the South African building Industry.
